OTP Hike #1007

Sherman's march through Georgia begins. 1864

Hot Day ~ 90°

About 8 miles RT and 950 ft. gain.

**Directions to the Trailhead:**

From the valley or the beach (your choice), drive Topanga Canyon Boulevard to Entrada Road. Follow Entrada to the Topanga State Park entrance at Trippet Ranch Visitor Center (restrooms available). Have parking fee handy. Set your altimeters to 1200 ft.

**The Hike:**

From the parking lot walk north on a paved drive about 100 yards to where the Musch Trail slants to the right across a grassy hillside. Continue past Musch Camp to the fire road at Eagle Junction. Take the lower road 1.3 miles down past Eagle Spring then up to Hub Junction, where there may be an outhouse and views, depending on the weather.

From Hub Junction take the fire road branch towards Eagle Rock. We can lunch at Eagle Rock. Then continue on the old fire road to Eagle Junction

and back to Trippet Ranch, where we will have snacks and celebrate John Chady's 80th Birthday. <sup>1540' gain - 3hrs</sup>
