SAN GABRIEL RIVER, WEST FORK

The hike for February 3, 1993 will be an easy stroll up the West Fork of the San Gabriel River. The whole way is on a paved road from which all vehicles except official vehicles are excluded. If you wish, this is an excellent opportunity to bring a bike. All stream crossings are by bridge so that if any one gets their feet wet they will have to make an effort. On this hike each individual can go as far or not as they wish. Cogswell Dam is 8 miles from the trailhead, an easy trip if you bring a bike.

From the I-210 Freeway go north on Azusa Avenue, SR-39. Park near the West Fork on the left, about 11 1/2 miles above Azusa.

We will convene at 9:15 AM at the trailhead and with a 15 minute grace period we will start the hike at 9:30 AM.
