HIKING & DEBATING SOCIETY

Nicolas flat

The hike for December 28 1994 will be from Leo Carrillo State Beach to Nicolas Flat.

Drive up the Coast Highway to Leo Carrillo State Beach near the L.A. County-Ventura County line. There is a \$5.00 fee for parking in the parking lot. If you will admit your age you can get a senior's discount. That has been \$1:00 off.

We will convene at the trailhead at 9:15 AM and with a 15 minute waiting period for the slow pokes we will start the hike at 9:30 AM.

The trailhead is near the entry station.

The trail starts up through grassy hills at a moderate to steep rate. Near the top of the hill you may find a lot of brush choking the trail. On the last hike it seemed that a machete would be useful. Eat lunch seated on rocks near a small lake.
