

Skull Rock Loop or to Temescal Peak  
from Temescal Canyon Trailhead

June 17, 1998

from the 405 Fwy go west on Sunset Blvd. to Pacific Palisades and turn right into Temescal Gateway Park,  
if you take Santa Monica Fwy to the end continue north on PCH to Temescal Canyon Rd and turn right, cross Sunset into the Gateway Park.  
There is a \$6.00 parking fee ( check across the street on Temescal Canyon Rd. whether there are any parking restrictions - time limits- there is plenty of space. On Sunset is a 2hour limit.)

Hike leader: Anneliese Grohs  
Start time: 9:30 am  
Distance: 4.5 miles or more  
Elevation: 1050' gain and loss  
Terrain: Rocky, steep trail, (quite overgrown compared with past years)  
View: excellent view of the coast and the city

I didn't see any poison oak, but three snakes and plenty of lizards, still lots of wild flowers. It can get quite warm when sunny.
