

718

Bear Creek/West Fork San Gabriel River 7/14/04

Tom Frye 818-341-1403

**DIRECTIONS:** Exit the #210 Freeway and proceed north on Azusa Ave. As you are nearing the West Fork Parking lot, you will pass by, but not cross, the green bridge on the right. A little farther up the road, stop for the cleaner rest rooms at the off road vehicle parking area on your right.

After about 11 1/2 miles from the freeway, you will cross the West Fork of the San Gabriel River on a highway bridge and enter the parking lot on your left.

**THE HIKE:** Walk on the West Fork Road for 1 mile to Bear Creek. At this point, you have the choice of going up Bear Canyon, or walking on down the road.

Either way you go, stop for lunch at 11:30, then head back for refreshments.

Happy Trails,

Tom
