Hike: Arroyo Seco

Date: 20 Sept. 2006

Leader: Lecho Torres

We have done this hike many times. There is nothing I can tell you about the hike that you don't already know.

I am changing the previous meeting place. Take the 210 Freeway west from Pasadena. Exit at the Oak Grove/Berkshire off ramp. Take a right on Berkshire Avenue, a left where it dead-ends into Oak Grove Drive, and a right at the first light into the park (Hahamonga Watershed Park). After entering the park, take the first left down to the parking area near the ball field.
